HYBRID SOLUTIONS PRO

MEET THE HYBRID SOLUTIONS PRO LINE

This professional-grade suite of products are formulated with the best of the best in car care technology, producing unparalleled results. From a super-foaming, lubricious wash, to two patent-pending graphene-infused waxes, to a precision platelet polishing compound, to a versatile wheel cleaner and iron remover – this line is certain to maximize your car's finish while balancing exceptional ease of use. Whether you're a professional detailer, enthusiast, or just looking to have your car look its best, Hybrid Solutions Pro has you covered.

PURE WASH 53758 1.89 Ltr

Ultimate Cleaning Experience

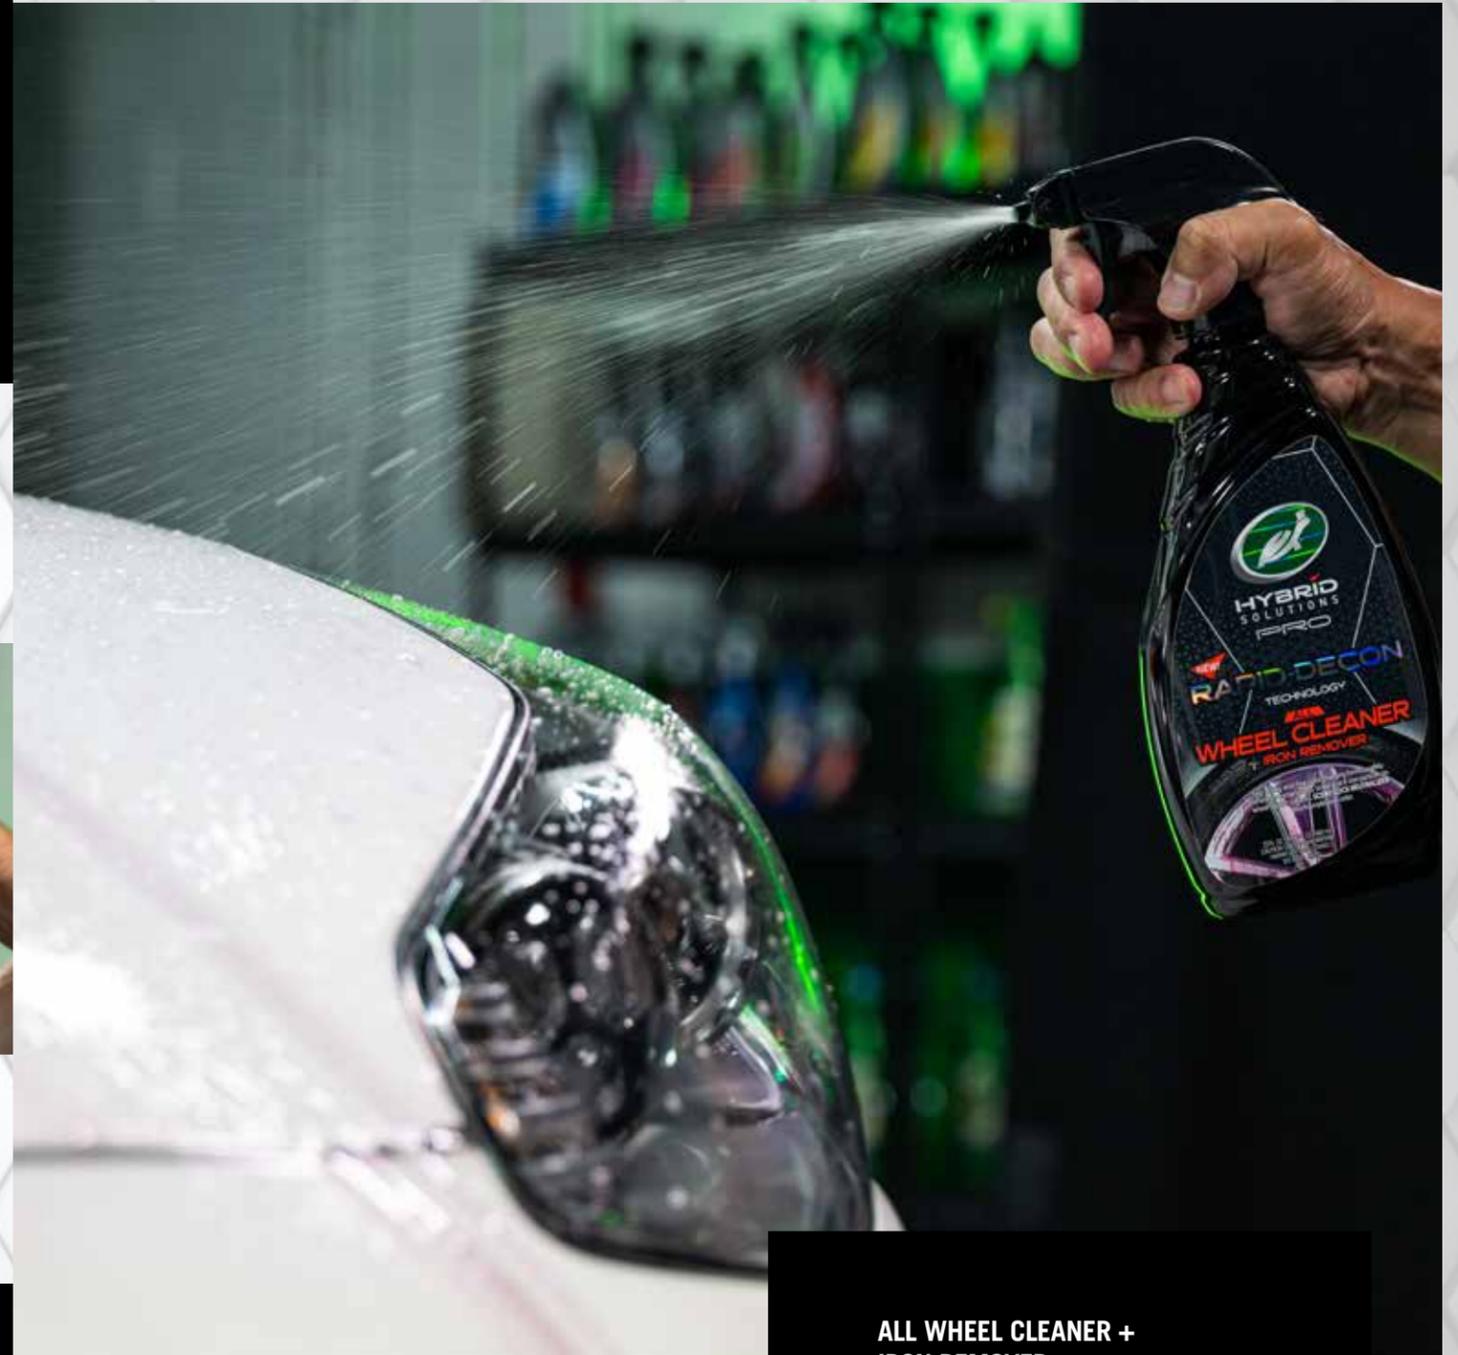

- Use by hand, with a foam sprayer, or mechanical decontamination with synthetic clay
- Thick clinging foam that is easy to rinse & thoroughly cleans without stripping protection

1 & DONE COMPOUND
53478 473ml

Perfection in Less Time

- One formula allows you to correct paint surfaces without switching products
- Utilizes Precision Platelet Technology which allows you to safely correct and perfect any paint surface in less time

GRAPHENE INFUSED FLEX WAX
53477 680ml

Our Most Versatile Spray Wax Yet

- Infused with Graphene for pro-level paint correction, shine & protection
- Apply on wet or dry paint then buff, dry or rinse for a long-lasting gloss, slickness, UV protection, chemical resistance, water repellency & stain prevention

GRAPHENE INFUSED MAX WAX
53479 414ml

Tighter Web of Protection™

- Unique blend of proprietary polymers, infused with Graphene, delivers unreal depth of gloss, slickness, chemical resistance, water repellency and stain prevention
- Graphene brings increased slickness & UV protection that helps keep water and contaminants from sticking to the vehicle

ALL WHEEL CLEANER + IRON REMOVER
53759 680ml

With Rapid Decon Technology

- Safely eliminates contaminants, brake dust & iron particles on wheel & paint surfaces
- Scent-lock neutralizer blocks unpleasant odor

INTRODUCING TURTLE WAX CERAMIC COAT PROTECTION

TURTLE WAX CERAMIC HYDRO+ KIT

The new and improved Ceramic Hydro+ is a surface coating agent for automotive paint with reinforced SiO₂ that gives spectacular high gloss, ultra-hydrophobicity, extreme chemical resistance, UV protection, and easy cleaning properties.

COMPOUNDS

RUBBING

TURTLE WAX PRO RUBBING COMPOUND T5

Ultimate sanding polish for automotive clear coats with maximum sanding effect featuring the latest technology. T5 removes 1200 grit sanding marks and signs of use in the shortest time without damaging the surface.

- » High efficiency & high yield
 - » Extremely fast removal of sanding marks
 - » High abrasion
- Tools Required:**
- » Rotary polishing machine
 - » Hard pad & lambs wool pad

Code: 53595 (1 Ltr)

ONE STEP COMPOUND

COMPLETE POLISH TP3

High-gloss finish and wax in a single product. TP3 works like a medium sanding polish and removes 3000 grit and finer sanding marks by machine. The product reliably removes streaks and clouding. It is applied as a wax with rotative, eccentric polishing machines or by hand.

- » One step polishing system
- » Removes swirls, streaks and fogging
- » Quickly provides a high gloss surface and protection
- » Grit 3000 abrasion
- » Brilliant deep gloss

Code: 53396 (1 Ltr)

POLYMER WAX

FLAWLESS FINISH TFF POLYMER WAX

Long-lasting polymer coating sealant for all automotive clear coats. TFF effectively seals the coating surface for long-lasting preservation. Protects against damaging environmental influences while maintaining a brilliant deep gloss.

- » Polymer coating for all automotive clear coats
- » Protects and defends against the effects of the environment
- » Ultimate beading effect and deep gloss

Code: 53375 (1 Ltr)

TSC SPOTLESS CLEAN

Control cleaning spray for surface inspection in the polishing process. CC absorbs polishing residues, grease and contaminants, enabling the visual inspection of the coating surface being processed.

- » A premium pre cleaning agent
- » Cleans & removes polish, grease etc
- » Easy to use precision spray

Code: 53371 (500 ml)

RUBBING

COARSE COMPOUND T10

The innovative sanding polish for automotive clear coats. T10 removes sanding marks and signs of use in the shortest possible time and guarantees a perfect surface.

- » A performance compound which polishes to a superb gloss
- » An efficient cutting compound for automotive clear coats
- » Removes sanding marks quickly and effectively

Tools Required:

- » Orbital/rotary polishing machine or by hand
- » Medium pad, soft pad and microfibre cloth

Code: 53386 (1 Ltr)

MEDIUM COMPOUND T20

Highly effective polish for automotive clear coats. T20 features outstanding performance in terms of gloss and the removal of sanding marks.

- » Offers a combination of gloss production with the removal of sanding and deep swirl marks
- » Standard cutting compound for automotive clear coats
- » Removes sanding marks quickly and produces a high gloss
- » Even polishing pattern
- » Superb high gloss finish
- » Free of silicone and fillers

Code: 53388 (1 Ltr)

POLISHING

FINE COMPOUND T30

Versatile high-gloss polish for all automotive clear coats. T30 removes polishing marks and guarantees a perfect deep gloss.

- » Produces a brilliant gloss
 - » Free of silicone and fillers.
- Tools Required:**
- » Orbital/rotary polishing machine or by hand
 - » Medium pad, soft pad and microfibre cloth.

Code: 53390 (1 Ltr)

ULTRA FINE COMPOUND T40

High-gloss polish especially for a show car finish. The product removes polishing marks, micro-scratches and holograms for the maximum deep gloss and reflectiveness.

- » A fine abrasive polish
 - » An ultimate high gloss polish effectively removes polishing marks, fogging and holograms
- Tools Required:**
- » Orbital/rotary polishing machine or by hand
 - » Medium pad, soft pad and microfibre cloth

Code: 53392 (1 Ltr)

WE HAVE A COMPLETE RANGE OF POLISHING PADS

7" BLUE MEDIUM-CUT FOAM PAD

7" GREEN HEAVY-CUT FOAM PAD

7" GREY FINISHING FOAM PAD

8" SINGLE-SIDE WOOL PAD

8" DOUBLE-SIDED WOOL PAD

BRINGING TO YOU - OUR NEWEST RANGE OF WASH & VALET PRODUCTS

[Imported from UK]

WHEELS & TYRES

REDLINE WHEEL CLEANER

Rapidly brings back the sparkle to all types of wheels.

- » Colour Changing ALL WHEEL safe formulation
 - » pH neutral wheel cleaner with active sodium ingredients to dissolve iron particles
 - » Non-Acidic formula safe for all alloys, decals and wheel nuts
 - » Can be left for longer contact time than aggressive acidic/alkaline cleaners
- Code: 53672 (5 Ltr)

WHEEL CLEANER

Rapidly lifts dirt off all wheels for a like new shine

- » Acidic formulation removes burnt on brake dust and road grime in seconds
 - » Ready to use formulation, no dilution required
 - » Will not damage decals or tyres
- Code: 53673 (5 Ltr)

CONCENTRATED SNOW FOAM

pH balanced pre-cleaning.

- » pH balanced cleansers preserve the paintworks existing wax, sealant and ceramic coatings
 - » Lifts and encapsulates dirt, traffic film, grime and oils ahead of pressure washer rinse
 - » Advanced hydrophobic polymers ensure streak free rinsing
 - » Bubble gum scent provides awesome in use experience!
- Code: 53664 (5 Ltr)

MAX POWER CAR WASH & TRAFFIC FILM REMOVER

Non-caustic traffic film remover

- » Safe for use on all exterior parts of the vehicle
 - » Foams up on agitation to lift away dirt and grime from the surface
 - » Degreasing action removes oily road and traffic contaminants
- » 20L can make up to 200L of solution
- Code: 53662 (20 Ltr)

SPECIALIST

MAX POWER DEGREASER

High foaming powerful degreaser.

- » Cuts through dried on oil, road grime, and grease
 - » Safe on all surfaces including paintwork, plastic covers, rubber trims and seals
 - » High foaming action to lift contaminants away safely from all surfaces
- Code: 53672 (5 Ltr)

CLEAN & SHINE TOTAL EXTERIOR DETAILER

2-in-1 formulation that cleans & waxes

- » Dirt-locking polymer technology encapsulates the dirt and grime for a scratch-free clean
 - » Apply in direct sunlight and boost shine with no streaking or paintwork spots
 - » Streak free ready to use formula for all exterior surfaces
 - » Perfect to use as a clay bar lubricant
- Code: 53676 (5 Ltr)

INTERIOR

FRESH CLEAN ALL SURFACE CLEANER

All surface cleaning for every automotive interior surface.

- » Powerful stain removers work on both hard and soft surfaces
 - » Cleans all interior stains caused by food grease, coffee spills and all pet messes
 - » Turtle Wax's exclusive Odor-X Technology destroys odors at a molecular level for up to 30days
 - » Non-toxic to ensure it is safe for use around children and pets
- Code: 53657 (5 Ltr)

DASH & GLASS INTERIOR DETAILER

1-step super cleaning for glass, dash, tech screens and more.

- » Unique polymer based cleaner traps dirt on first pass
 - » Clearvue™ technology makes windows sparkling clean and streak free
 - » Leaves all dashboard areas dust-free, non greasy and UV protected to prevent fading
- Code: 53655 (5 Ltr)

PAINT WORK PREP

TAR & GLUE REMOVER

Easy-to-use formula effectively removes tar & glue residue.

- » High solvent based formulation for quick dissolving of tar and glue residues
 - » Tackles all tough residues left behind from sign lettering, parking tickets, branded stickers and gaffa tapes
 - » Can be used on most exterior areas i.e. clear coat paintwork, glass, lacquered alloy wheels and even exhaust pipes
- Code: 53650 (5 Ltr)

WASH & WAX WATERLESS CLEANING

Easy-to-use waterless cleaning.

- » 1-Step formula washes without the need for a bucket or water, wash anytime and anywhere!
 - » Enriched with proprietary waxes to deliver a shiny high gloss finish that repels water
 - » Ideal for light brake dust and dirt removal from alloy wheels
 - » The perfect solution for cleaning where access to water is limited
- Code: 53663 (5 Ltr)

INTERIOR 1 UPHOLSTERY SHAMPOO

1-step super cleaning for all fabrics, carpets and vinyl

- » Tough on stains like coffee, chocolate and milk
 - » Kills odours and leaves a fresh fragrance
 - » Suitable for vinyl and plastic
- Code: 53659 (5 Ltr)

GLASS CARE

CLEARVUE GLASS CLEANER

Streak-free solution for all glass and mirrored surfaces

- » Significantly more powerful than standard household glass cleaners
 - » Removes tobacco stains, finger marks and grime
 - » Use inside or outside for clear view of the road
- Code: 53672 (5 Ltr)

ZIP WAX CAR WASH & WAX

1-step carnauba protection.

- » Super concentrated formula deep cleans, shines and adds Turtle Wax
 - » Cleans oils and road grime from all exterior surfaces
 - » Leave vehicles streak free and shining after every application
- Code: 53654 (20 Ltr), 53653 (5 Ltr)

PAINTWORK PROTECTION

SEAL 'N' SHINE SEALANT WAX

Amazing repellency, shine and protection

- » Hydrophobic synthetic sealants are fused with carnauba wax
 - » Creates mirror like shine and protection
 - » Streak free drying agents allow application to both wet or dry vehicles
 - » Can be applied to all exterior surfaces, no worry about overspray/residue buildup
- Code: 53675 (5 Ltr)

PROFESSIONAL ENGINE DEGREASER

A powerful multi-surface cleaner and degreaser.

- » For use on all multi surfaces
- » Will clean the toughest of soiled surfaces
- » Non-flammable
- » Silicone free

Dilution Rates: 1:10
Code: 53588 (5 Ltr)

MATT COCKPIT FINISH

Cleans and protects all vinyl, plastic and rubber interior surfaces.

- » Restores and cleans interior surfaces
- » Leaves a deep matt finish
- » Conditions and protects against UV

Dilution Rates: For best results use neat
Code: 53506 (5 Ltr)

ODOR X NEW CAR FRESH

An effective formula that removes unpleasant odours.

- » Apply by hand or machine to vehicle carpets, mats and upholstery
- » Provides a long lasting fragrance
- » Removes odours caused by tobacco, food and pets

Dilution Rates: For best results use neat
Code: 53541 (5 Ltr)

CHERRY CAR FRESH

An effective formula that removes unpleasant odours.

- » Apply by hand or machine to vehicle carpets, mats and upholstery
- » Provides a long lasting fragrance
- » Removes odours caused by tobacco, food and pets

Dilution Rates: For best results use neat
Code: 53536 (5 Ltr)

LEATHER CLEANER & CONDITIONER

Gently cleans, restores and protects interior leather.

- » For use on all vehicle leather upholstery and trim including door cards
- » Removes dirt and stains restoring natural softness to all types of interior leather

Dilution Rates: For best results use neat
Code: 53528 (5 Ltr)

CARPET & UPHOLSTERY CLEANER

An effective formula that cleans and removes stains easily.

- » Quick drying formula
- » Cleans all types of fabric upholstery and interior carpets
- » Suitable for fabric mats
- » Silicone free

Dilution Rates: 1:5
Code: 51167 (5 Ltr)

GLASS CLEANER

Heavy duty formula that removes ingrained dirt and grime from vehicle glass.

- » Cleans glass and leaves a sparkling finish
- » Smear free and easy to use
- » Can be used on all interior and exterior vehicle glass surfaces
- » Silicone free

Dilution Rates: For best results use neat
Code: 53515 (5 Ltr)

TAR & GLUE REMOVER

Easy to use formula effectively removes tar and glue residues from most surfaces.

- » Powerful and effective formula removes tar and glue residue from all areas
- » Silicone free
- » Easy to use

Dilution Rates: Use neat
Code: 53556 (5 Ltr)

MULTI PURPOSE CLEANER

A versatile multi-purpose cleaner for all interior surfaces

- » Suitable for all interior surfaces including plastics, vinyl's, carpets and fabric / leather upholstery
- » Silicone free

Dilution Rates: 1:5
Code: 53531 (5 Ltr)

HP75N HIGH FOAMING DETERGENT

Hyper concentrate foaming detergent for use in jet wash equipment.

- » A hyper concentrated, economical, specially formulated detergent which cleans without removing wax from vehicles
- » Compatible with all water types

Dilution Rates: 2ml for 1Ltr water
Code: 53523 (10 Ltr)

SPECIALTY

APC

SHAMPOO

EXPRESS HANDWAX

All purpose premium wax.
» Can be used in wet and dry conditions and in direct sun light
» Leaves high gloss finish with Hydrophobic effect
» Safe for all types of paint-work
Dilution Rates: Use neat
Code: 53513 (5 Ltr)

TYRE DRESSING

Tyre dressing containing silicones that provides a wet look.
» Suitable for all exterior tyres, plastics and other rubber trim
» Produces a high gloss wet look finish
» Very thick formula designed to be diluted
Dilution Rates: For best results use neat
Code: 53567 (5 Ltr)

WHEEL CLEANER - RED WHEEL CLEAN

Colour changing wheel cleaner turning the wheels red.
» Suitable for all alloy wheels
» Neutral wheel cleaner with a PH of 7.6
» Quick effective remover of break dust and road grime
» Changes to red in contact with break dust to give a bleeding effect
Dilution Rates: Use neat
Code: 53602 (5 Ltr)

TYRE & WHEEL CLEANER

Fast acting non-acid cleaner for wheels and tyres.
» Silicone free
» Alkaline formulation
» Aalkaline based wheel cleaner with a PH range between 13.4 to 14
» Quickly and effectively removes break dust, tar, dirt and grime from alloy wheels, tyres and plastic trim
Dilution Rates: 1:3
Code: 53566 (10 Ltr)

TURTLE WAX PRO - WASH & WAX SHAMPOO

Concentrated high foaming manual shampoo and wax.
» Silicone free
» An extra concentrated formula with highly active surfactants producing active foam
» Produces a brilliant wax gloss finish
» Unique fragrance
Dilution Rates: 100ml for 1Ltr water
Code: 53575 (5 Ltr), 53344 (25 Ltr)

PRO WASH & SHINE

Low foaming shampoo with gloss conditioners.
» Silicone free
» Wax free
» Unique deep cleaning and low foaming hand car wash
» Advanced gloss conditioners leaving a streak free finish
» Unique fragrance
Dilution Rates: 100ml for 1Ltr water
Code: 53574 (5 Ltr), 53573 (25 Ltr)

UNDERBODY COATING

53825 1L
The chemical compound specially designed to protect the substrates from corrosion, environmental conditions and abrasion. It provides excellent dampen sound and reduces vibration. It also insulates against cold and hot weather conditions.

- Gives exceptional durability
- Protection for rust-proofing
- Hides, welds and repairs

SILENCER COATING

53801 500ml
For automotive silencers with extremely high temperature tolerance and anti-rust properties.

- Gives a shining appealing exterior after application
- Excellent protection against corrosion
- High resistance to salt & hard water
- Forms a protective coating on metal surfaces without flaking
- Heat resistant up to 400 degree celsius
- Easy to apply and has a great coverage

YOUR MOST-REQUESTED INNOVATIONS BROUGHT TO LIFE

NEW!

Introducing our all-new, game-changing products. Designed for automotive enthusiasts and detailers alike, this cleverly crafted suite of products offers exceptional value and ease of use with unmatched results. From revolutionary sprayers that deliver fine-misting and even coverage, to graphene-infused products for the latest in car care technology.

HYBRID
SOLUTIONS

**THE HYBRID SOLUTIONS LINE IS DESIGNED BY – AND FOR –
THE INDUSTRY'S MOST DISCERNING DETAILERS**

Yet this elevated suite of products is the most approachable on the market from an approachability and price perspective. With the perfect blend of the latest technologies in car care, including ceramic infusion, teamed with Turtle Wax's decades of experience, Hybrid Solutions is guaranteed to deliver unmatched results.

CERAMIC + GRAPHENE PASTE WAX
53786

Unique Blend of 10 Waxes Infused With SiO₂ & Graphene Delivers Intense Gloss

- Easy on, easy off - even in direct sunlight
- SiO₂ & Graphene infusion produces a Tighter Web of Protection™

CERAMIC POLISH & WAX

53412 414ml

All-in-One Formula Delivers Amazing Clarity, Shine & Protection

- Paint correct, polish, wax and protect your vehicle in one easy step
- Hydro-activated formula increases depth of color, leaving behind a mirror-like shine and gloss

CERAMIC SPRAY COATING

53409 473ml

More Than a Durable Spray Wax!

- Delivers INSANE water beading, water sheeting, & chemical resistant protection up to 12 months
- Easy on, easy off formula that provides mirror-like shine

CERAMIC WET WAX

53410 769ml

One Step Application: Spray on Wet Surface & Dry!

- The fastest way to amazing shine and durable protection in 1 easy step. Just wash car, spray on wet surface & dry!
- Ceramic infused polymers deliver instant water repelling and chemical resistant protection

CERAMIC 3-in-1 DETAILER

53413 946ml

Not Your Traditional Detailer!

- Safe waterless cleaning that intensifies shine and adds ceramic wax protection
- Infused with super hydrophobic & SiO2 polymers, creating durable protection, intense shine & superior water beading in between washings

CERAMIC WASH & WAX

53411 1420ml

Wash, Shine & Protect in Less Time!

- Scratch-free cleaning for all surfaces that leaves behind a brilliant shine with chemical resistant protection that lasts months
- Super hydrophobic & SiO2 polymers create a durable barrier for both coated and uncoated cars

ICE

ICE SEAL N SHINE 50984 473ml

Instantly Locks in Shine & Superior Repellency

- Blended with premium carnauba wax to create a deep, glossy shine
- Extreme durability delivers water beading & chemical resistance for up to 6 months

GRAPHENE ACRYLIC TIRE SHINE 53733 769ml

Deep Dark Gloss Infused With Incredible Durability, Repellency & Protection

- Synthetic shine polymers deliver an adjustable deep, dark shine
- Graphene & Acrylic Polymers repel water & contaminants for months

CERAMIC ACRYLIC BLACK POLISH 53448 500ml

Black Paint Correction, Enhancement & Durability in One Step

- Superior black car gloss, depth of color & minor imperfection concealment
- Remove swirls, scratches & oxidation with precision polishing platelets

CERAMIC ACRYLIC BLACK WAX 53447 500ml

Increases Depth of Color, Gloss & Protection for Black Paint Finishes

- Black pigmented polish and carnauba wax fill light imperfections and leaves a deep, rich, black shine
- SiO₂ & acrylic polymers produce a durable layer that repels water, harsh chemicals & prevents water spots

HYPERFOAM WHEEL CLEANER 53734 680ml

Deep Cleaning Foam Dissolves Brake Dust & Road Contaminants

- Brightens rims by dissolving brake dust, road grime & light iron/rust deposits
- Deep cleaning foam pulls out grease & grime from the tire, prepping the tire surface for coatings

LEATHER MIST CLEANER

53483 591ml

Fine Misting Spray Restores Natural Shine & Luster to Leather Surfaces

- Evenly spreads a non-greasy blend of cleaners & conditioning agents that revitalize & rejuvenate the leather with aloe vera & neatsfoot oil
- Proprietary U.V. absorbers help protect from sun induced fading

STREAK-FREE MIST GLASS CLEANER

53783 591ml

Quickly Cleans Glass for Improved Driving Visibility

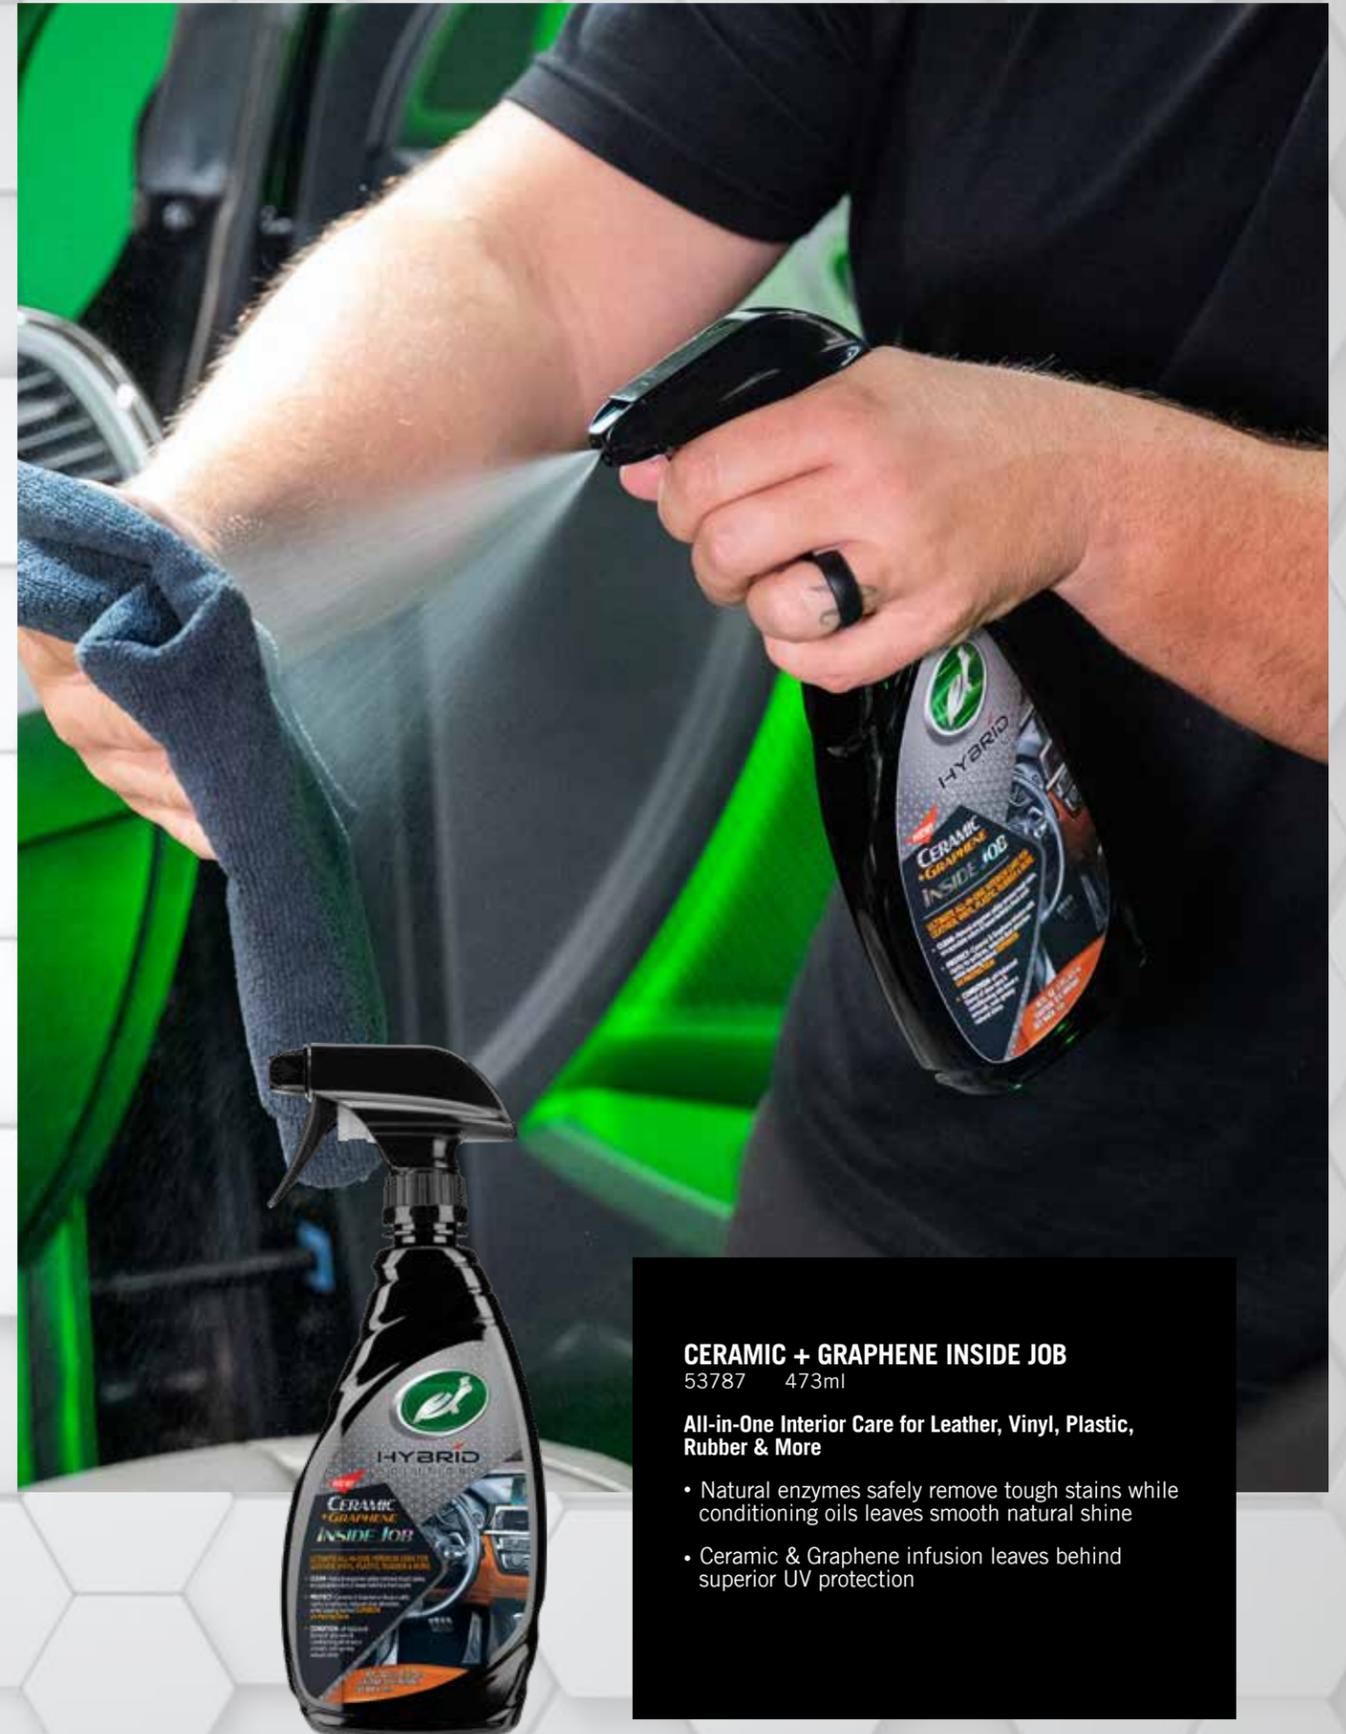

- Fine misting sprayer sprays product evenly for easier cleaning
- Eliminates oily dirt, dust, fingerprints, smudges, bug splatter bird droppings, smoke haze and more!

STREAK-FREE MIST INTERIOR DETAILER

53482 591ml

Cleans, Deodorizes & Protects

- Uniquely blended natural enzymes clean & remove odors for up to 24 hours, while leaving a clean fresh scent
- Proprietary UV absorbers help protect from sun induced fading

CERAMIC + GRAPHENE INSIDE JOB

53787 473ml

All-in-One Interior Care for Leather, Vinyl, Plastic, Rubber & More

- Natural enzymes safely remove tough stains while conditioning oils leaves smooth natural shine
- Ceramic & Graphene infusion leaves behind superior UV protection
